THE 5 GOLDEN RULES

1. Pay the Rs 1.6L EMI FIRST — before anything else hits the account.
2. Every bonus & windfall = 100% into the loan. No exceptions.
3. Loan 2 dies first (month 33). Then ALL Rs 1.6L smashes Loan 1.
4. Zero new debt. Not a single rupee.
5. Tick a box every month. Colour the coin. Celebrate every Level!
